SCIENTIFIC PROGRAMME BY FIELD OF INTEREST

#### Visit the Lahti Day Case Centre during the Euroanaesthesia 2010 Congress

Lahti Day Case Centre is a dedicated Day Care facility built in 2005. There are 9 new operating theatres that are well equipped for patient care. Two visits of the Lahti Day Case Centre will be organised during Euroanaesthesia 2010. Both will take place on Monday, 14 June 2010. More information is available on [www.euroanaesthesia.org](http://www.euroanaesthesia.org) -> Congresses -> Euroanaesthesia 2010 -> Scientific Programme -> Visit the Lahti Day Case Centre.
